

I support the Do Not Call List. I now, don't have to come home and listen to 15 messages each night that I have to delete, and have calls at 10:00 at night and on weekends. My life is so much more peaceful. Please DO NOT let these banks and businesses undermine what what has already been set up, a Do Not Call List. If people don't want to be on the list they don't have to. Thank you Bob Goff
